POLL

Comments

- A22: The letter of incapacitation incorrectly cites this act as the "Salary Modifications Act" instead of the "Salary Modification Act". This error has been corrected here.
- B14: Since we do not have access to the original nominations of these nominees, we have used the Nomination Oversight Hearings by the Senate. These will be a couple days AFTER the actual nomination, and thus the delay will be SHORTER.
- B15: Since we do not have access to the original nominations of these nominees, we have used the Nomination Oversight Hearings by the Senate. These will be a couple days AFTER the actual nomination, and thus the delay will be SHORTER.
- B16: Since we do not have access to the original nominations of these nominees, we have used the Nomination Oversight Hearings by the Senate. These will be a couple days AFTER the actual nomination, and thus the delay will be SHORTER.
- F2: As in, the date it was assented, vetoed etc.
